

The TopTop table line is distinguished by its polycarbonate leg which can be either a round or square transparent section with a faceted surface and metal core. This version is proposed to ideally furnish the home with a square or round glossy lacquered polyester top and chrome-plated aluminium base. The transparent central leg makes the structure agile while the faceted one is sophisticated and elegant.

	width	height	depth	diameter Ø	weight kg.
4262 rounded leg rounded base 		72		70	15,700
4263 rounded leg rounded base 	70	72	70		16,700
4272 square pleated leg square base 		72		70	19,700
4273 square pleated leg square base 	70	72	70		20,700
